David, I'm traveling tomorrow morning to the JFO for the recovery meetings. I haven't received a mission assignment yet, but we should have it soon. I was given a couple of names to talk to at the JFO tomorrow in case I don't have it by then. They were trying to get many MAs out at the same time.

Bill, the mission assignment should be coming directly to me. I sent FEMA a copy of the previous one for LA. I'll check with my contact and keep you posted.

Kell and I met with Mike Byrne, Dan Alexander, and Dina Platt, who are directing FEMA's Disaster Recovery phase. Highlights below:

- FEMA has initiated a mission assignment with EPA for Recovery work (have we seen yet?); FEMA has done one for each of the federal agencies in the Disaster Recovery Framework.
- Recovery effort will kick off with a meeting here at the Austin JFO Monday at 1pm (Claudia will attend for us)
- The federal reps will scope each agency's role during the first week.
- Initially, Recovery staff will be housed here at the JFO, but FEMA plans to have other space nearby for the Recovery effort within a week or so.
- Mike Byrne will be meeting with Chancellor Sharp, who is heading up the State Recovery Task Force, at 3pm Sunday. Mike will propose to integrate the federal efforts with the state Task Force's efforts.
- Kell and I mentioned the EPA Community Liaisons who are deploying to the counties. We'll plan to engage them in the recovery effort as appropriate.

Claudia – please plan to be at the JFO by noon Monday and stay at least through the end of the week. You can work at one of the two EPA slots at the JFO.
